

## Counseling Training is now offered in three modules: Fundamentals, Advanced, and Specialization

### The Fundamentals Module

is designed to lay the foundation for counseling people biblically. It will help you reach out to those hurting around you, influence others for the glory of God, and be more effective in your personal ministry. This course is required to obtain ACBC Certification.

### The Advanced Modules

are designed to equip people to help themselves and others who are overcome with particularly challenging issues of life. They give advanced, focused instruction and interaction over topics of spiritual growth, issues of sin, counseling philosophy and practice.

### Specialization

The Marriage Counseling Specialization Course is offered online several times a year.

See brochure on website at [www.chapelcounseling.org/programs.php](http://www.chapelcounseling.org/programs.php) for more information. This course fulfills the 15 hours of instruction in preparation of the ACBC Marriage Specialization Certification Exam.

The Counseling Ministry of Clearcreek Chapel is dedicated to the total sufficiency of the Word of God in counseling. It is our conviction that God has not just provided some of the answers, He has provided all of the answers for the non-organic problems of man in His Word. (2 Peter 1:3).

These courses teach truths and lessons we have learned from God's Word and how to help people grow and change through a Bible-centered, Spirit-filled, disciplined life of godliness (1 Timothy 4:7). We are committed to promoting excellence in Biblical discipleship and counseling within the church.

# Advanced

## Advanced Training Courses

These courses are designed to build on the foundation established in the Fundamentals Course and cover a wide range of subjects to help complete the framework for the equipped biblical counselor. Completion of the Fundamentals Course is a prerequisite for these advanced courses.

### Counseling & Evangelism

**February 20, 9:00am-12:00pm**

What will you do when it becomes clear that your counselee is not a believer? In this course we will discuss biblical evangelism and what it looks like in the counseling room. This will include determining the likelihood your counselee is or is not a believer, and what should be communicated when it is determined that they are likely not a believer. Reading Mike McKinley's book, "Am I Really A Christian" (published by 9 Marks) is recommended prior to the class.

### Using Narrative Texts in Counseling

**March 20, 9:00am-12:00pm**

Much of the OT and some of the NT are narrative: story, history and gospels. How do we use those texts in our counseling so that we are true to the Word and helpful to people without misusing the texts? This workshop will develop some principles and procedures handling this genre that will help us do that. We will explore several texts as examples of good and bad use of them. Come ready to be challenged and ready to work in the text yourself.

### Challenges in Women Counseling Women

**April 17, 9:00am-12:00pm**

As female counselors we are in unique positions to help women who are experiencing difficulties. There are challenges and common pitfalls for those of us who come alongside women who are suffering. God's word has much to say to us and we will explore these areas specific to those we counsel. There will be time for discussion and questions.

### Biblical Counseling & Justification, Grace & Moral Effort

**May 15, 9:00am-12:00pm**

This course will help us understand the doctrine and threats of justification, misunderstood by many and so they miss the heart of the gospel. This doctrine is under attack today, even within the church; find out how that may undermine your counseling. Biblical counseling has often been characterized as "legalistic". Come and find out the necessary connection of God's grace for all lasting change.
