

Counseling Training is now offered in three modules: Fundamentals, Advanced, and Specializations

The **Fundamentals Module** is designed to lay the foundation for counseling people biblically. It will help you reach out to those hurting around you, influence others for the glory of God, and be more effective in your personal ministry. This course is required to obtain ACBC Certification.

The **Advanced Modules** are designed to equip people to help themselves and others who are overcome with particularly challenging issues of life. They give advanced, focused instruction and interaction over topics of spiritual growth, issues of sin, counseling philosophy and practice.

Specializations

The Marriage and Reconciliation Specialization courses are offered online during the months of February, June and September each year.

See brochure on website at www.chapelcounseling.org/programs.php for more information.

These courses fulfill the instructional requirements in preparation for each specialization exam to obtain the certifications. In addition, the Marriage Specialization course is worth 20 CEU's and the Reconciliation Course is worth 20 CEU's.

The Counseling Ministry of Clearcreek Chapel is dedicated to the total sufficiency of the Word of God in counseling. It is our conviction that God has not just provided some of the answers, He has provided all of the answers for the non-organic problems of man in His Word. (2 Peter 1:3).

These courses teach truths and lessons we have learned from God's Word and how to help people grow and change through a Bible-centered, Spirit-filled, disciplined life of godliness (1 Timothy 4:7). We are committed to promoting excellence in Biblical discipleship and counseling within the church.

Advanced

Advanced Training Courses

These courses are designed to build on the foundation established in the Fundamentals Course and cover a wide range of subjects to help complete the framework for the equipped biblical counselor. Completion of the Fundamentals Course is a prerequisite for these advanced courses.

Counseling Those Who are Grieving

Saturday, March 29th 9:00am-12:00pm

Grief is the reality of the world we live in. During this course, we will work through how biblical counselors can help hurting people heal through the use of God's Word.

Using Scripture Intentionally and with Integrity in Homework

Saturday, April 26th 9:00am-12:00pm

If we are going to be counselors committed to the Bible as sufficient for helping people change, there are implications that result from those commitments. We must have a settled conviction that the Scriptures equip us and thus make us competent for this task as we rightly choose the texts to bring to bear in how we accurately apply these texts in the life of the counselee – especially through homework. In what ways do we sometimes mishandle the Word in counseling and in how we assign Scripture in homework, and how can we give attention to rightly dividing the Word?

Triumphing Over Fear

Saturday, May 17th 9:00am-12:00pm

To some degree everyone experiences fear and anxiety. But sometimes fear becomes so overwhelming that it renders you helpless; so paralyzing that you lose all hope. Anxiety can erect a prison so strong it leaves you weary and depressed. Are there any answers for those living in such dread? Come and explore the sufficient Word of God as it provides gospel truths to triumph over fear.
