

The Marriage Counseling Specialization covers various advanced topics including conflict resolution, dealing with sexual issues, ministry to blended families, interaction with extended family, family worship, premarital counseling, and more.

The Counseling Ministry of Clearcreek Chapel is dedicated to the total sufficiency of the Word of God in counseling. It is our conviction that God has not just provided some of the answers, He has provided all of the answers for the non-organic problems of man in His Word. (2 Peter 1:3).

These courses teach truths and lessons we have learned from God's Word and how to help people grow and change through a Bible-centered, Spirit-filled, disciplined life of godliness (1 Timothy 4:7). We are committed to promoting excellence in Biblical discipleship and counseling within the church.

Clearcreek Chapel currently offers the Marriage Specialization in an easy online format.

This online format makes it accessible for busy counselors to excel in this area of ministry, as well as be prepared to take the Marriage Specialization Exam to receive the certification. This 1 month course will start the first of the month and run through the end of the month. This model will be done as a cohort training opportunity where students will independently view 4 lectures per week and participate in discussion board assignments throughout the month. We will offer this course 3 different months in 2022: January, April and September. This will allow you to choose the time of year that works best for your schedule.

If you plan to pursue the specialization certification, you MUST already be an ACBC certified member at the time of the specialization course, however, if you just want to attend for your own personal growth, you may attend the course if you have taken the Basic Course.
